Re: *United States v. Djonibek Rahmankulov*, 20 Cr. 653 (RA)

Dear Judge Abrams:

I have been retained to represent Djonibek Rahmankulov in the above-captioned matter and write to respectfully request a 60-day adjournment of the sentence, currently scheduled for January 5, 2023. I have been gathering the discovery as well as the trial transcripts which I will need to review prior to proceeding to sentence. I am currently recovering from pneumonia and will require the requested time in order to properly prepare for sentencing. I will be commencing a trial on February 6, 2023, which will last approximately three weeks and would respectfully request a date in mid-March, 2023 convenient for the Court. The Government has been consulted and has no objection to this request.

I thank the Court for its courtesy and consideration.

Respectfully submitted,

/s/ James Kousouros
